

 **Crystal Run** Healthcare presents...

WHAT IS A FAN ZONE...

Fan Zones motivate 10K runners, engage our entire community in the race, and encourage friendly competition between local businesses, school groups, and community organizations. There will be 5 *Fan Zones* on the 10K race course. *Costumes, music, cowbells, cheering, dancing are all strongly encouraged!*

THE REQUIREMENTS...

While there are no formal requirements we suggest prominently displaying your organization's sign(s) so runners know which zone to cast their votes for. Remember, any 'props' used cannot interfere with runners in the race.

THE PRIZE...

CASH prizes will be awarded to the *favorite charity* of the top **TWO** winning fan zones! (Amount to be determined.) Each zone will be judged by runners for their **team spirit and creativity!**
