TEAM APPLICATION FORM

Rowley Cup Challenge

Calling all high school runners!

ROWLEY
BUILDING PRODUCTS
Now Strober Building Supply

Each June, Rowley Lumber Company sponsors the Rowley Cup Challenge for high school teams that compete in the Rowley 5K road race (3.1 miles). The Rowley 5K is held in conjunction with the "Classic 10K" on Sunday, June 8th, starting at 7:45 AM.

There are two Rowley Cups: one is awarded to the best men's team and the other is awarded to the best women's team. After their names are added to the trophy, each of the winning teams gets to take the Rowley Cup for display at their high school for the year following their victory.

Use this sign up sheet to identify the team members who's times will count towards the Rowley Cup Challenge. Times of the top three runners from each team will be added together to determine the winners. More than one team may enter from each school; use a separate application form for each team. ***In addition to being listed on this form, each team member must individually register for the Rowley 5K.*** Register via active.com, or by downloading an application form from www.classic10K.com and mailing it with your check (directions and fees are on the application.)
